ECO TOURISM 2022
Zanzibar, is a semi-autonomous part of Tanzania in East Africa. It is composed of the Zanzibar Archipelago in the Indian Ocean, 25–50 kilometres off the coast of the mainland, 6° south of the equator. It is 60 miles long and 20 miles wide, occupying a total area of approximately 650 square miles.

Zanzibar consists of many small islands and two large ones: Unguja and Pemba. The capital of Zanzibar City, located on the island of Unguja. Its historic centre is Stone Town, which is a World Heritage Site. It is characterized by beautiful sandy white beaches with fringing coral reefs, and the magic of historic stone town—said to be the only functioning ancient town in East Africa.
MEANING OF ECO TOURISM

Eco tourism is the environmental friendly way of travelling explore things that protects the environment against harmful effects. Examples of eco tourism in Zanzibar are; Dolphins and Jozani forest reserve wildlife tour, Zanzibar aromatic spice farms.
